

Exhibition Information

The **Biointerfaces International Conference (BIC) Zurich 2022** and exhibition provides a leading platform for industrialists and academics alike to review the latest advances in one of the most innovative and expanding fields in science and technology.

The best way to meet the community

Exhibitors use this conference to advertise new products and to acknowledge scientists' requirements. The industry exhibition at the Biointerfaces International Zurich 2022 is an ideal platform for networking and marketing.

Why become an Exhibitor?

Give your company the opportunity to:

- Introduce new products, technology and product lines
- Obtain a multitude of personal on-the-floor contacts
- Meet international audience from many countries
- Create a lasting impression, stand out, and support your efforts by purchasing an **exclusive sponsorship opportunity**

Conference Topics

- Microphysiological systems (MPS)
- Spheroids, organoids & de novo tissues
- Organ-on-chip, microfluidic devices
- Stem cell technology & regenerative medicine
- 3D cell & matrix bioprinting, tissue engineering
- Cell-based *in vitro* assays for drug development & substance testing, supporting the 3Rs initiative
- Functional material-biology interfaces (to tissue, cells, bacteria, enzymes/protein)
- Surface & interface characterization, imaging (static/dynamic, *in situ* and *ex situ*)

Biointerfaces International

Zurich** UZH

Exhibition 13 – 15 September 2022

We will have space for app. 40 exhibitors (assigned on a first come/first serve basis).

The exhibition area will be in the **ETH Zurich main building**. Space is adjacent to the poster session area where we serve lunches and coffee/tea breaks.

Standard booth exhibition fee is CHF 2'300 (Swiss Francs, excl. VAT).

The exhibition fee includes:

- **A standard booth:**
 - a table of 180 x 80 cm
 - poster walls (if required; or space for your own booth installation)
 - power outlet
 - any further infrastructure on request
- **Waived registration fee** for one person (access to conference and poster sessions, free coffees, lunches and aperitifs on all conference days; value: CHF 800 Swiss Francs)
- **Exhibitors' introduction** by conference's Chair in the plenary session
- **Logo and exhibitor's affiliation on website** and in **conference App** with listed contacts to exhibitor's representatives.
- **Exhibitor logos shown regularly during conference** with slides and on posters presented in conference rooms and in poster session area.

Limited exhibitor presentation opportunities !

- Introduce your company and application of your technology
- Showcase the impact of your technology on science

Interested?

Send a brief showcase description (max. 1000 characters) until **30 June 2022** to exhibition@biointerfaces.ch.
